MEMORANDUM FOR Office of the Staff Judge Advocate, Wisconsin National Guard

SUBJECT: Requesting Sexual Assault Investigative Support Law Enforcement Waiver.

1. I am reporting a Federal status sexual assault in the Wisconsin National Guard. The sexual assault occurred on Fort McCoy and the Fort McCoy CID office was notified. CID has referred this matter to the local FBI field office for investigation by civilian law enforcement. The appropriate notifications were made in accordance with Wisconsin Adjutant General Policy. However, I choose not to have law enforcement conduct a criminal investigation.
2. I have been fully informed of the ramifications of my request to local law enforcement, to include not cooperating with local law enforcement. I understand that a National Guard Sexual Assault investigation may not lead to a criminal conviction of the reported perpetrator. Neither the Wisconsin Code of Military Justice nor any other provision of Wisconsin law requires this incident be reported to local authorities. I understand that there may be a Federal Title 10 jurisdictional issue as the incident occurred on a Federal military installation but prefer to proceed administratively.
3. With your concurrence, I request appointment of a National Guard Sexual Assault Investigator to investigate this report.
4. Point of contact for this memorandum is the Wisconsin National Guard Sexual Assault Response Coordinator at [REDACTED] or [REDACTED]
